Within these walls is a spirit that should never die, for this is our school, Clyde High. Spirit is not only a word used in sports, but goes much deeper than that. It is the heart of our school, the will to learn. Without this our school would have no meaning, for there would be no opportunity to learn or prepare yourself for the future.

As your class departs from Clyde High School, you leave behind a pattern of footprints representing your success, your disappointments, your pleasures, and your hardships, for you have spent a major portion of your life here. Like footprints your experiences at Clyde High will leave upon your memory an indelible impression which you will always carry with you through life.

As you now turn the pages of our 1959-60 Courier, you will remember all the fine activities taken place this year.

## Dedication

We, the senior class of '60 are very proud to dedicate our 1960 Courier to Mrs. Tedca Baker. Mrs. Baker, as one of our class sponsors, has given much of her time to assist and promote our class projects for the last two years. Also as a friend, she has helped us work out many problems with which students are often confronted.

Mrs. Baker was born in Bowling Green, Ohio, where she spent, a major portion of her life. After graduating from Bowling Green High School in '39, she immediately went into Bowling Green State University where she majored in music and minored in English. She graduated in 1943 with a B.S. degree.

She then got a job in Oak Harbor as vocal and instrumental instructor for two years. From there, Mrs. Baker came to Clyde and taught English, vocal music and coached for the cheerleaders for five years.

She married Mr. Rolland Baker in 1947, and had a daughter, Jane Justine, on October 28, 1950.

In 1957, Mrs. Baker resumed her teaching in Clyde. She now teaches English II and IV, and sponsors F.T.A.

In her spare time, Mrs. Baker likes to dance, play golf, and keep her beautiful new home in perfect order.

We seniors feel that this is but a small token of our appreciation for the fine job you've done, Mrs. Baker. We thank you!

## *Superintendent*

Our Superintendent, Mr. Virgil J. Bringel, has done a splendid job of keeping the high standards of our school, and in leading us to the best of his ability.

## *Principal*

Our Principal, Wilbur Sarvia, is dedicated to his profession and works long, hard hours to accomplish the tasks put before him. Judging by the results, we know he has fine ability.

## *Board of Education*

This year the Board of Education has done a fine job of improving our school. They have provided a parking lot for the teachers, new lockers so that all students may have one for themselves, a better lighting system, redecorated the auditorium, and made many other improvements.

We are very pleased with their improvements and hope this fine job may continue.
